A+ Schools Program Student/Parent Manual

Welcome to the A+ Schools Program

As a student at La Plata High School, there are many opportunities you should consider as you begin to plan your future after you graduate. By choosing the A+ Schools Program, you are embarking on a journey as a lifelong learner.

When the Missouri State legislature established the Outstanding Schools Act of 1993, they included the provisions for the A+ Schools Program. In an effort to enhance educational opportunities for high school students, the legislature provided that students who attend schools that meet specific criteria will be eligible for financial incentives. Pending legislative approval each year, La Plata High School graduates will be eligible to receive tuition and general fees to attend any public community college, vocational or technical school, as well as possible scholarships to four year institutions in Missouri.

The purpose of this manual is to provide students, parents/guardians, faculty and staff with the guidelines and policies of the A+ program. It is the responsibility of the La Plata R-II School District to follow these policies to ensure A+ designation is maintained. Accurate certification of students is crucial to the integrity of the program and A+ schools designation. It is the responsibility of the students and parents to read this manual carefully in order to understand and follow all guidelines and regulations that are part of the A+ program.

Welcome and congratulations on being accepted into the A+ program. I look forward to working with you as you achieve your educational career goals.

For more information concerning the A+ program, please feel free to contact me at 660-332-7001 or by email ajackson@laplata.k12.mo.us.

A+PROGRAM CITIZENSHIP GUIDELINES

Students participating in the A+ Schools Program must maintain a record of “good citizenship” to qualify for post-secondary financial assistance. Good citizenship is demonstrated by respect for school, community, and self. Any student who participates in the A+ Schools Program must be a creditable citizen and be judged so by the proper school authority certifying the list of students for participation. A student whose character or conduct reflects credit upon him/herself and/or his/her school is considered a creditable citizen and is therefore eligible to participate in the A+ Schools Program. His/her conduct shall be satisfactory in accord with the standards of good discipline.

During second semester of the student’s senior year, a “Citizenship Eligibility Report” will be presented to the appropriate principal. The principal will determine eligibility by indicating on the form whether or not the student has maintained “good citizenship.” If the student’s citizenship record is acceptable, a form will be placed in the student’s A+ folder. An A+ Citizenship Appeals Committee will be assembled to rule on exceptions or unique situations.

Attendance Requirement

To be eligible for the A+ Schools Program Tuition Reimbursement Incentive, a student must have a 95% accumulated attendance record for four years beginning his/her freshman year. Students are expected to attend school regularly and to be on time for classes. (95 % translates to ~35 days absent over four years). A student who does not meet the 95% attendance requirement will NOT be eligible for the A+ Tuition Incentive. The following attendance guidelines will be followed:

- Students must attend La Plata High School for three consecutive years prior to graduation. It is possible to maintain you're A+ status if you transfer to La Plata High School from another A+ designated school in Missouri OR if you transfer from La Plata High School to another A+ designated school in Missouri (all attendance, GPA, and tutoring information transfers with you for A+ purposes).
- A cumulative attendance record will be kept from the beginning of the A+ student's freshman year until graduation.
- The official record of attendance is kept on the School Information System (SIS) in the high school office and the principal's office.
- Cumulative attendance information will be recorded and given to students at the end of each grading period.

Attendance Appeal/Waiver

The state attendance requirements are very specific. The State Board of Education says no exceptions to the 95% attendance. If a student is ill or injured, homebound should begin immediately.

Following notification of excessive absences, students and/or parents who disagree with the recorded attendance, will have 15 calendar days to appeal the student's attendance record with the A+ Coordinator. If an appeal is not filed within 15 calendar days of notification, a waiver for days missed will not be considered. Anyone making an appeal should use the "A+ Attendance Appeal Form" available from the principal's office. (A sample is included in this handbook)

The A+ Coordinator will convene the Attendance and Citizenship Review Team within 10 days of receiving notice of an appeal. The Attendance and Citizenship Review Team consists of the La Plata High School Principal, the A+ Coordinator and may include the La Plata R-II Schools Superintendent, a member of the La Plata R-II Board of Education, and the high school counselor. The A+ Coordinator will act as facilitator and a non-voting member of the review team.

The A+ Coordinator will notify the student/parents by letter within five calendar days following a decision by the Attendance and Citizenship Review Team. If the student decides to appeal the decision of the Attendance and Citizenship Review Team to the La Plata R-II Board of Education, it will have to be done by the July Board of Education meeting. All decisions of the Board of Education are final and will be made by August 1st. If a student's A+ status is changed, they are to be re-instated in the program immediately. Appeals cannot be made after a student has graduated from high school.
